INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Nancy Smith, being first duly sworn, deposes and says, through Lewis H. Smith, duly sworn and qualified as an interpreter:

That I do not know how old I am but am probably about 60 years of age--I have no record of it. My grandfather on my mother's side was white, and all the other sources are full Cherokee Indians. I have always lived with the Indians as an Indian, and my parents have also. My father's name is Dah-quah-de-hih, and my mother's name is Su-sah-nih. My oldest brother's name is Chew-nah-stoo-~~ick~~-dih, and Wa-kib was the next, I am next, -Nancy. My father's name in English meant, as near as we can come to it, Ca-taw-ba Killer. He died in 1897, July 3rd. My mother died in 1897. I have another brother named Day-gay-tah, who died along in 1869 or 1867, and a sister named Che-gay-y-u-ih, who only lived a short time; a brother Sah-nih-yah-sih, who is living in the west; Martha or Mut-tih Tar-quit, ~~she~~ is now living in Graham county, N. C.; Dah-nu-wah, a boy who died about 20 years ago out in Georgia; Welch Tar-quit, a boy who died 30 or 40 years ago; A-yih-nih, or Annie Crow, still living over in Jackson county, N. C. Su-sah-nih was the second wife of Ca-taw-ba Killer. Su-sah-nih's father was Chu-le-gih-sih--the whites called him Ned Welch. Su-sah-nih's mother was Na-lih. My paternal grandfather's name was Oo-yah-se-stah. My paternal grandmother's name was Umn-sa-kih.

Nancy Smith,

Madam:

3951
Your letter of Oct. 14th, 1908 addressed to the Honorable Commissioner of Indian Affairs, has been referred to this office for consideration, in which you state that you have not given Belva A. Lockwood authority to represent you in the prosecution of your claim for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees. In reply you are advised that it does not appear from the papers filed in this office that Belva A. Lockwood does represent you as an attorney and she will not be so recognized unless you should give her a formal power of attorney, which in this and at this time does not seem to be necessary.

Very respectfully,

Special Commissioner.

Misc.

Lawyer Jackson, being first duly sworn, in behalf of Dakie Jackson, #2955, deposes and says, through Lewis H. Smith, duly sworn and qualified as an interpreter:

That I am 36 years of age. Dakie Jackson is my wife, and she is 39 years of age. Dakie Jackson's father was De-dah-nuh-skee, english name Jake Cheer or Che-yah. Her mother's name was Sah-kin-nih. Sah-kin-nih's parents were Oo-la-saw-duh and Gahplih-stah-yih. Sah-kin-nih's father was dead before 1835 but Sah-kin-nih and her mother were living at that time and I think they were both on the 1832 roll. They were living in what is now Graham county, but was then Cherokee County, on the Cheowee river. Sah-kin-nih's mother died about 42 years ago. Sah-kin-nih's children were Ga-yah-hih-duh, a girl who died in 1865; Ka-sie, a boy who died in 1864. These children are only half sisters to Dakie Jackson, on the mother's side. The full brothers and sisters are Che-wah-nuh, a girl who was 2 or 3 years old in 1851; Che-nah-yih, a girl who may have been born in 1851 but I hardly suppose that she existed at that time, although she may have been on that roll. She died in 1870. Another sister was Che-haw-ne-lah, who died in 1870; Jay-kih, a boy who died in 1876; Sah-lah-sah-nih, a girl who died in 1870, I think; ~~XXXX~~ Oo-way-luh-kih, a boy who died in 1886; Umm-nah-yih, a girl who died since the last one mentioned, but I don't know the date; Wee-kih, a girl who died in 1881; Tsoh-sah-hih, a boy who ~~was~~ born in 1867 and is now living; and Da-kee, a girl born in 1869 and is now living. She was married to me in 1889. Her father De-dah-nuh-skee died in 1892, and her mother Sah-kin-nih died in 1891. Che-yah means Otter; Dakie Jackson's father's name. Dakie's brother Tsoh-sah-hih means Andy Otter in English. Dakie Jackson is a full blooded Cherokee Indian and has always lived with the Indians, and her ancestors have always lived with the Indians.

Duvall, N. C.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, we beg to inform you that the names of your mother and grandparents on your mother's side, as given in your application do not appear upon the rolls of 1851. Give all the names under which you think they might have been enrolled with the Eastern Cherokees at that time. Do you also claim through your father's side. If possible, give the names of your great grand parents on your mother's side, and their residence in 1851. Were your grandparents on either side slaves? If so, were they slaves of Indians or white people. Have you ever been enrolled with any tribe of Indians. If so, state the name of the tribe, where and when. If not, state the reason why.

Very respectfully,

Special Commissioner

The application which you have filed for participation in the Eastern Cherokee Fund contains practically no information concerning your ancestors.

On December 24, 1907, a letter was sent you from this Office requesting additional information; to that letter, no reply has been received from you. Unless you furnish this Office with additional information, your claim will be rejected. The additional information required is:

- 1-- Were your parents or grandparents slaves?
- 2-- Why were you, your parents, or your grandparents never enrolled?
- 3-- Do you pass as white or colored in the community in which you live?
- 4-- State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

No.

BELVA A. LOCKWOOD,
Attorney and Solicitor,
610 F STREET, NORTHEAST
WASHINGTON, D. C.

Marietta, Ga. June 28/1906.

Belva A. Lockwood,
Washington, D. C.,

Dear Madam:

Some days ago I wrote you at the suggestion of my cousin Robt. E. L. Howell, but have not had a reply to my letter.

Since writing you I have had a letter from my Grandmother, in which she tells me that in 1852 she and my Mother, as well as the other members of the family each received from the Indian Claim Ninety-six Dollars and some odd cents, the exact number of cents she does not remember. My Grandmother has been married twice, and was at that time Mrs. Letitia F. Pooler and my Mother was Caroline Matilda Pooler. My Mother was at that time I think two years old.

I have been expecting each day since writing you that I would hear from you enclosing blanks for us to sign so that you would have power of Attorney for us and I hope that you will attend to this at once and let me hear from you.

Mr. Howell asks me to say to you that he got the papers off to Tallaquah in ample time for them to reach there by the time they were needed.

Awaiting your early reply, I am,

Yours truly,

(Miss) Lettie Lawrence,

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, we beg to inform you that the names of your parents and grandparents as given in your application do not appear upon the rolls of 1851. Please state as carefully as possible the names under which you think they were enrolled at that time. Have you ever been enrolled with any tribe of Indians other than the Eastern Cherokees? If so, please state the name of the tribe, where and when you were so enrolled. Were your grandparents on either side slaves? If so, were they slaves of Indians or white people?

Very respectfully,

Special Commissioner.

Charles M. Beavers, Being duly sworn, deposes and says:

My name is Chas. M. Beavers. I am 62 years old. I have lived in the Territory since 1872. I know Luvado Graham. I do know she has Indian blood. Cherokee. She is a sister to Beatrice Ward. I suppose they were enrolled by the Dawes Commission, Cherokee Roll #30250. Beatrice Ward #11456. They were regularly enrolled ever since they were born and got the bread and strip money. Their blood comes from mother and father. Their mother was Frances Elizabeth McClure, was her maiden name. She married Brown. She has been dead. Died 5 or 6 years ago. She was enrolled by the Dawes Commission. She lived in Canadian District and moved up here. She was in Georgia and was raised there near where I was. Came out here about 1869. I do not know whether she was enrolled in 1851 as I do not know when she was born. Frances Elizabeth McClure's mother was Rebecca Howell, who also lived in Georgia. They lived in Going Snake District awhile. I do not know, but I suppose she was enrolled. E. P. Brown was the father of the applicants. He lived here, and I think was born and raised in Texas. I never heard that he was not enrolled. I do not know where he got his blood. I think Brown was regarded as an Old Settler. On the mother's side they were not Old Settlers as we came out here later and never received any Old Settler money. Susan Ann, sister to Frances E. McClure, William a brother, also John McClure who died in Georgia when a boy, and Josephine, and George, Charlie and Bob. Brian and Pink Howell were brothers of Rebecca Howell. Bryson came here in the 70's I think. (Look these people up on the Roll of 1851.)

Madam:-

Replying to your letter of July 23, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Your postage stamps are returned, herewith.

Sir:-

Your letter of recent date, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 26,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

The applicant's claim through Celia Gravitt or Celia Farris or Celia Lateler nee Tidwell. Miller on his roll at pages 3-4 refers to Celia Gravitt or Celia Farris and three other women as follows:--

"Celia Farris	41 Female
Sarah Saunders	48 "
Christiana Martin	45 "
Nelly Martin	67 "

These women met me at Mr. Lewis Blackburn in Cherokee County, Ga., and stated that they had been wives of Cherokee Indians and have large families of Cherokee children. They are well known by Mr. Lewis Blackburn and to Mr. Daniel Davis, both men of undoubted veracity. They inform me that Nelly Martin's real name is Nelly Koto. That the real name of Celia Farris is Celia Gravitt. That Sarah Saunders is really named Sarah Tidwell and that they never were married to Cherokees. They are white women who obtained some benefits of the Treaty from having taken up for a short time with the Cherokees whose names they bear. As to Christiana Martin, she claims to be the wife of William Martin, a native. I afterwards saw this same William Martin and he informs me that the woman was never his wife and denies that the children are his - he is the husband of another woman. See Family No. 14, Irwin Co., Ga.

These facts are so well established by a number of persons that I do not deem it my duty to enroll the names of the children that the women claim. "

In consideration of the premises, therefore, the applications of all persons claiming through Celia Gravitt or Celia Farris or Celia Lateler are hereby rejected.

Sir:-

Relative to the application of John P. Was Celia Tidwell Gravitt married more than once? If so, what were her married names? Why does not the name of John P. Gravitt appear on the 1851 roll? Why is not his mother's name on the roll? When did John Tidwell die? Where did his mother reside in 1851?

Please furnish this office with answers to the above questions, and any other information that will show connection between the claimant and the Eastern Cherokees.

Madam:-

Replying to your letter of December 6, 1907, in which you state that your grandmother was a Cherokee Indian, and enclose a letter from the Department of the Interior, will state that I have gone over the letters you refer to in your letter and have not been able to find anything definite regarding your ancestors in the East.

Where was your father, Dave McCracken, born? When did his parents move from the East to the West, where did they locate in the West, and what is the exact date of your father's birth? When did your grandmother, the said Alcie McCracken, nee Bowman, die, and where was her place of residence at the time of her death?

I am returning to you the letter from the Department of the Interior which you sent to me, as it will be of no further use to this office. Did your father receive any further communication after December 27, 1882 from the Department of the Interior regarding this claim? By this I mean, was there any action taken at all favorable to your father on his claim to be enrolled as an Eastern Cherokee Indian? Your prompt reply will be appreciated.

Very respectfully,

Mrs. Ella Dobson,
Caney, Kan.

Dear Madam:-

Mr. Clark McCracken, is in my office and has handed me a newspaper notice addressed by you to the sheriff under date of December 18, 1907, inquiring if there is anybody in this County by the name of McCracken or Bowman; and he has requested me to answer your inquiry.

I beg to advise that there such people here. Clark McCracken is a son of Jane McCracken. Jane McCracken was a sister of Dave McCracken, and Dave and Jane were children of John or Johnnie McCracken, and their mother was 1/2 Indian. Clark McCracken's grandmother was Elsie Bowman, who was a daughter of John Bowman who was an Indian, and who was called Black Hawk Bowman. Clark McCracken has two sisters, Susan and Elsie, and one brother, Matt.

Clark McCracken is a good substantial citizen, and all the foregoing facts can be clearly established by proof, and I trust that he may have the good fortune to receive something substantial from the source indicated in your notice. His postoffice is Jonesboro, Tenn., and you may correspond with him or myself as you like, and your letters will receive prompt attention. I am,

Yours very truly,

Madam:-

Relative to your application #4001, in which you claim to share in the money appropriated for the Eastern Cherokee Indians, will state that the information you have furnished this office is not very definite. Will you, therefore, fill in the questions enclosed and return to this office at your earliest convenience?

You state that Alcie Bowman, nee Hawk, was a full-blood Cherokee Indian, daughter of Hawk Bowman (or Black Hawk). Neither the names of Hawk Bowman, Black Hawk, or Alcey Bowman, appear upon the rolls of 1835 or 1851. Do you know when the said Alcie Bowman, nee Hawk, died, and what was her place of residence at the time of her death? Any further information you may be able to give this office will be greatly appreciated.

Ella Dodson,

Caney,

Kansas.

Madam:-

Replying to your letter of June 27, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state just how much each successful claimant will receive.

As there are already over 28,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If it is found that you are entitled to participate in this fund the share belonging to your deceased child will be paid to you.

Very respectfully,

William A. McCrackin being first duly sworn deposes and says:

I am 45 years of age. I live in Washington County, Va., and have lived here all of my life. I am an ordained minister in the Christian Church. I claim Indian blood through my father, Matt McCrackin, who lived and died in Washington County, Va. He was also born in Washington County. He was 82 years of age at the time of his death. If he ever received any money from the Government on account of his Indian blood, I never heard of it. I never heard him speak of his Indian blood, because I left home when I was about fifteen or sixteen. Before this matter came up, I had never heard of my Indian blood. My father's Indian blood came through his mother, Alice Bowman. This was Cherokee Indian blood. I have heard my father talk of his brother, and being in among the Cherokees. I heard something about my uncle Davie coming back and trying to get him to go out with him, but he never agreed. Uncle Davie came back from the Indian Territory. I do not know whether my uncle got land out there or not. He is now dead, but his three children, live out west now. One of them, Ella N. Bodson, lives at Caney, Kansas.

Subscribed and sworn to before me at Abingdon, Va., this 10th day of April, 1908.

Assistant to Special Commissioner Court of Claims.

Richard J. McCrackin being first duly sworn deposes and says:

I was born in Washington County, Va., and have lived here all of my life. I am 47 years of age. I claim my Indian blood through my father, Madison Ma Crackin, and through his mother, Katy Bowman. Some call her Alcey Bowman, and some Katy. My father lived in Washington County all of his life. He was about 82 or 83 years of age at the time of his death about ten years ago. His brothers wanted him to go out to the Indian Territory and make claim, but he was too old. He never received any money from the Government on account of his Indian blood. I have heard him speak of his mother and her people, and said that they were Cherokee Indians. He said he thought money would be due them after awhile on account of their Indian blood. Dave, his brother, told him that money would be due him from land out in the Indian Territory. I lived with my father most of his life. Sometimes he would go to see the Sawans, and other people around in Washington County. Aside from the Indian relations, I do not think any Indians ever visited him. He was a recognized white man. When my mother's people, the Saunders, found that she had married Madison McCrackin, they kicked, because he had Indian blood. My mother told me this. My father looked like an Indian. He was a solid-looking fellow with black hair. My grandfather was a full-blooded Irishman. Alcey Bowman, was my father's mother, and the daughter of Black Hawk Bowman. I never heard whether Black Hawk Bowman ever received any money from the Government or not. I do not know whether he was a Powhatan or not. He may have been. I have heard my grandfather speak of the Powhatans living in North Carolina. Alcey Bowman was born at Cherokee on the Yuckin river. I have heard her talk about the Powhatans being down there. I have heard my grandfather say something about the Sizemores, but I was small and do not remember. They might be Powhatans.

Subscribed and sworn to before me at Abingdon, Va., this
10th day of April, 1908.

Assistant to Special Commissioner
Court of Claims.

George W. McCrackin being first duly sworn deposes and says:

I am 48 years of age, and was born and raised in Washington County, Va. I first heard of this fund the 18th of December, 1907, and I made application in March, 1908, and the statement in my application that it was sworn to before the notary in March, 1907 is a mistake. I claim Indian blood through both ~~my~~ my father and mother. My father was William McCracken. He was born and raised in Washington County. I have heard him say that he was related to Wilburn Waters, who lived at White Top. He and my father have hunted together, and has been to our house. He was a chunky-like man with dark skin, and said to be half Indian. I never heard him say what kind of Indian. I never heard him say that he ever received any money from the Government on account of his Indian blood, but I was quite small. I do not know how my father was related to him. I never heard Wilburn Waters say anything about his Indian blood, only that he was half Indian. He was raised somewhere in North Carolina, in Ashe County, and came to White Top. I remember now that my father said that he was related to Wilburn Waters through the Dodsons. The Dodsons lived in Ashe County, N.C. Wilburn Waters, as I remember him, was a middle aged man. My father was 76 years of age at the time of his death. I do not remember of any other Indians ever visiting my father, except the Bowmans, who were related to the Indians.

I think my mother was about 86 years of age at the time of her death. Her name was Polly Pearce. She was related to the Powhatans. I have heard her say this. She was born and raised in Ashe County. I never heard my father, William McCracken, say that he was related to the Cherokee Indians, but I have heard my mother say that she was related to the Powhatans. I have heard her talk about other Powhatan Indians in Ashe County at that time. I do not remember hearing her say anything about the Sizemores. She said that there were a good many Powhatans down there in her girlhood days. My uncle, Johnny McCrackin, married a Bowman.

Subscribed and sworn to before me at Robinson, Va., this 10th day of April, 1908.

Assistant to Special Commissioner Court of Claims.

Amanda G. Moore being first duly sworn deposes and says:

I am 38 years of age, and was born and raised in Washington County, Va., and have never lived anywhere else. I reckon I first heard of this Indian money about the first of December last year, and had never heard about it before. I claim Indian blood through my father, Matt McCrackin. He was an old man at the time of his death about ten years ago. He lived in Washington County all of his life. He was born in Washington County. He was 82 years of age at the time of his death. I have heard him talk about having Indian blood--Eastern Cherokee Indian blood. He never received any money from the Government on account of his Indian blood. He never visited the Indians, and I do not know that they ever visited him. My father's Indian blood came through his mother, Alice Hawk Bowman, who was a daughter of Black Hawk Bowman. I never saw her. She lived in Washington County, Va. She was born in North Carolina and lived to be quite an old woman. I never heard of her getting any money from the Government on account of her Indian blood. My father was considered a White man in the locality in which he lived, and voted. I have been with my father quite often and heard him talk of his mother, and say that she was half-blooded Cherokee Indian, and that his grandfather was a full-blood Cherokee Indian. I never heard where Black Hawk Bowman lived in his lifetime. The way I heard of this money was through Ella Dodson, of Kansas, who wrote me that my brother, Richard, had made application.

Martha Miller being first duly sworn deposes and says:

I am 33 years of age, and live at Glinford, Washington County, Va. I have lived there going on twenty years. I was born in Washington County, Va. My father and my grandmother said that we had Indian blood, and they were truthful people. My Indian blood came through my father, Ephraim Eastridge, and his people. My father was born in Surry County, N.C. and lived there until he was a young man, when he moved to Washington County, Va. My father was about 70 years of age at the time of his death in 1803. My father never applied nor received any money from the Government on account of his Indian blood. He had never heard of any claim. I think my father lived in Washington County, Va. just before the War, about 1850. He was a recognized White man, and always voted. My father was a farmer, and worked by the day most of his life. I have heard him speak of his Indian blood, and said he belonged to the Eastern Cherokee Tribe, and that his father's grandfather, Black Hawk Taylor, was an Indian. My father's mother was Phoebe Taylor. She was born in Surry County, N.C. and lived there all of her life. I never learn whether she received any Indian money or not. I have seen her often. She lived to be 107 years old. I have heard her speak of her Indian blood. I have heard her tell the names of our kin who went to the Indian Territory and lived there--that is on the Taylor side. Black Hawk Taylor lived and died in North Carolina, but I do not know in what county. It was not far from the Blue Mountains. I do not remember hearing when he died, or whether he ever received any money from the Government on account of his Indian blood. Phoebe Taylor was my father's mother. My great grandfather always went by the name of Black Hawk Taylor. I heard my father say that Black Hawk Taylor was buried near the Blue Mountains. I do not know whether he lived long at the place where he died or not. He was in Washington County, and pointed north to the Blue Mountains. The Blue Mountains that he spoke of was in North Carolina. I am sure that he pointed North. I have never heard my father or grandmother say how old Black Hawk Taylor was at the time of his death. My grandmother, Phoebe Taylor, has been dead about 18 years. I never heard her say where Black Hawk Taylor lived during his lifetime. I never heard whether he received any money from the Government on account of his Indian blood. He was said to be a full-blood Indian. I do not know whether his wife was a White woman or not. She was Sarah Sow. My grandmother, Phoebe Taylor, looked like a White woman, only that she showed the Indian blood.

Miss H. Jones claims that her great grandmother and Black Hawk Taylor were sister and brother. (#4001). The way I learned about this matter was through Mr. Brown, who received a letter from Miss Jones saying that there was money in the Treasury for us. I did not take any papers, and we lived in an out of the way place, and so I did not hear about this in time to get a citation

earlier. I have a sister in Indiana who did not know anything about this until I wrote to her, when she also applied.

Subscribed and sworn to before me at Abingdon, Va., this 10th day of April, 1908.

Ella N. Dodson, after being first duly sworn, deposes and says:

I am 41 years of age; was born in Alexander County, N.C. I claim Cherokee Indian blood through my father, David G. McCracken. He was born close to Abington, Va. I have heard of my Indian blood all my life. My father told us about it. My father never got any Indian money from the government and never tried to get any. I have never tried to get any Indian money before this time and have never gotten any. Have lived in the Territory ever since we came west in 1872 but am not a Cherokee alotee. I never saw my father's parents. They lived in Abington, Va. My grandmother was born in the Cherokee Nation, N.C. Her name was Ailey Bowman, but she went by the name of Hawk. My father was born in 1812. He was not the oldest child. The other children were also born in Abington. None of my immediate relatives ever got any Indian money. Lyla Mitchem is my sister. She is here with me now.

Dear Sir:-

Your letter of February 25th, addressed to me at Park Hill, Oklahoma, directing me to appear at Tahlequah on March the 29th, for the purpose of taking testimony relative to my claim, has just been forwarded to me at this place. I removed here something like one year ago and I cannot understand why this long delay in the letter reaching me.

I do not wish to be cut out of my rights in this matter on account of my failure to appear at Tahlequah on the day mentioned, as it was no fault on my part.

Please advise me at once what steps are necessary for me to take in order to prove my claim and I will try to comply with what you wish.

Yours very truly,

Edward Still, in behalf of Bertha M. Green, being first duly sworn, deposes and says:

I am about 62 years old. I am acquainted with Bertha M. Green. She gets her Indian Blood thru her mother. Her mother was about a half Cherokee. She was an Emigrant. Her maiden name was Ellen Bushyhead. She claims her Indian blood thru both her father and mother. Both of the parents of Ellen were Emigrant Cherokee. Her fathers name was Daniel Bushyhead. Ellen Bushyhead was not born at the time of the payment of 1852. Her mothers name was Jah-tah-ne Still; Her maiden name was Fodder. Still was the name of her first husband. In 1851 she was living with either Still of Long or Long Arm. Both the parents of Ellen Bushyhead were living in Going Snake District in 1851. I think that Daniel Bushyhead was living with his mother. The sisters and brothers of Daniel Bushyhead were Eliza Alberty, who is now living at Tahlaquah, Okla. Carrie Qualls, who died about three weeks ago, P. C. Baptist, Nancy Mc Nair, now living, Pryor Creek, Okla. Dennis Bushyhead, Jesse Bushyhead, Ned Bushyhead, (See G. S. 227) I do not know Daniels ' mothers name. Henry Drew is a nephew of Daniel, but I do not hat his mothers name was. My daughter is enrolled by the Daws Commission. I had only one child by this wife. She is now fourteen. I still have her care and custody.

About one month ago I made application, for share in the Cherokee payment before Hugh M. Adair Notary Public at Stilwell I.T. and at that time over looked the names of my kinsman given in this application, in whose share I believe I am entitled to participate. Those in this application were all living in 1851, were on that roll and have died since that time.

By referring to my former application you will find all of my ancestors names as far back as I know any thing of them.

Joseph Risingfawn,
Needmore, Okla.

Sir:-

Relative to your application #4047, in which you claim to share in the fund appropriated for the Eastern Cherokee Indians, through your father, Risingfawn, and your mother, Elizabeth Risingfawn, will state that the name of Risingfawn does not appear upon the rolls of 1851. Neither does that of your mother, Elizabeth Risingfawn, appear upon said roll. You also give as your grandfather Tick-a-nee-sky Risingfawn. His name does not appear upon the rolls of 1851 or 1855. Did your father have any other name besides that of Risingfawn? If so, what was it? What were the names of his brothers and sisters if he had any. Also give your grandmother's name on your father's side. You state that your mother, Elizabeth Risingfawn, was married three times, giving as her first husband John Rattling-gourd, and her third Henry Blalock. Therefore, your father, Risingfawn, must necessarily have been the second husband, but you do not state to whom the said Elizabeth Risingfawn, your mother, was married in the year 1851. If she was married to your father, why was she not enrolled in 1851. Are you related to Ool-scar-ste or Ter-na-tau-ler, or George? Where was your father living in 1851? Did your grandfather have an English name other than that of Risingfawn?

J. R.

-2-

If you will kindly answer these questions correctly, I may be able to trace your ancestors on the roll of 1851. Were your people on your father's side "Old Settlers"? Were your people on your mother's side "Old Settlers"?

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

Madam:-

Your letter, in answer to one sent you on December 4th, received today. You have not answered my question as to what name your mother was known by in 1851 other than the name of Price. Will state again to you that the name of Jennie Price, or the name of yourself, Betsy, or Bettle, Price, does not appear upon the roll of 1851 in the Illinois or any other district. Kindly furnish this office with the name of your mother—that is, what name was she known by other than that of Price? What were your father's and mother's names? both English and Indian?

You state in your letter that you saw the roll of 1851, and that in the Illinois District the names of your people appeared. Kindly furnish the names of your people as you saw them on the roll. It is absolutely necessary that you answer all questions asked.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Madam:-

Relative to your application #4051 for share of money appropriated for the Eastern Cherokee Indians, you state that your father was an "Old Settler", giving as the English name of your mother Jennie, and the Indian, Go-ney. There are a great many Jennies enrolled upon the roll of 1851, making it very difficult to pick out the particular Jennie your mother happened to be. You also give as your age sixty-five years. You were, therefore, living in 1851, and your name would necessarily appear upon the roll of 1851. Will you please give me the name by which you were known in 1851, other than that of Betsy or Quatie? Also state the name by which your mother was known in 1851, and the district in which both of you were enrolled.

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

Madam:-

I beg to acknowledge receipt of yours of recent date, in which you state that Jennie Czar was your mother and Sallie Czar your sister, and also give the name of your mother's sister as Polly. You further state that you had a sister by the name of Actsey Otter and your mother had an uncle by the name of Charles Stoffle and an aunt by the name of Lucy Day.

I have found the last three names on the roll of 1891 in the Illinois District, but I cannot find your name or your mother's name as Jennie Czar on the roll of 1891. Have you any aunts or uncles on your mother's side who are now living and who have made applications in this matter? If so, please give their names and the numbers of their applications. Also state the names of your grandmothers and grandmothers on your mother's side, whether or not they were living in 1891, and in what district they were enrolled. You stated in your first letter that you had your mother's sisters names and your own name on the roll of 1891. Can you remember the names as they appeared on the roll of 1891? If you were enrolled in 1891, you are now to be known as an "No Action" and you are not to be considered in this case, but if you were enrolled in 1891 as a Native or Indian then I do not know you are
